## JK-6380D

### Heavy duty top and bottom feeding lockstitch sewing machine series

JK-6380 is flat-bed style machine. It adopts link take-up and rotating hook to form stitch 301, and can sew very heavy material with neat and beautiful stitches, low noise, easy maintenance and minimum difference in stitch length between forward and reverse feed. JK-6380 is suitable for sewing leather, artificial leather, canvas etc. medium-heavy cloth as well as clothes, cushion, sofa and bags.

			 mm	 mm	 S.p.m	 mm	 mm	 NW/GW Kg
